

Automations Pricelist

An overview of what we can automate and roughly what it costs. Prices are indicative - we'll fine-tune scope and price after a short chat.

Bookings & appointments

Automation	What it does	Price
Simple booking (email)	Customer fills a form, the booking arrives in your inbox. No calendar, no database.	included from Mini package
Booking system	Service, day, and time selection on the site + automatic email confirmation to client and you.	included from Start package
Google Calendar sync	Every booking adds itself to your calendar - overview on mobile too.	+ 60 - 120 €
Availability check	The system won't allow a double booking of the same slot.	+ 40 - 80 €

Customer communication

Automation	What it does	Price
Automatic message replies	The customer gets an instant automatic reply to a form enquiry - they know it arrived.	+ 40 - 80 €
Email confirmation	Automatic confirmation email after a booking or order.	included with bookings
Appointment reminder	Automatic email a day ahead so the customer doesn't forget - cuts no-shows.	+ 50 - 90 €
Google review request	After a visit, the customer gets a link to leave a review.	+ 40 - 70 €

Data & records

Automation	What it does	Price
Google Sheets integration	Bookings and enquiries stored in a clear spreadsheet - data at hand and exportable.	+ 50 - 100 €

Contact form to email	Enquiries from the site go straight to your inbox, with spam protection.	included with the website
Summary report	A simple monthly overview of bookings or enquiries.	by scope

Prices are one-time and indicative. Most automations are added to the site as you need them - you don't have to take everything. Email us at info@netabloom.sk and we'll prepare an exact quote for your business.
